Notice Regarding Tax Deductibility of NFDA & NMFSA Dues:

Generally, funeral homes that pay NFDA dues are able to deduct 100% of those dues as ordinary business expenses for federal tax purposes. However, due to the enacted Budget Reconciliation Act of 1993 (the "Act") dues revenues utilized by a professional trade association for lobbying purposes cannot be deducted by the member who paid dues. In accordance with the Act, the National Funeral Directors Association is hereby notifying its membership that it estimates that 7.2% of the 2007 NFDA dues paid by a member will not be deductible as ordinary business expense for federal tax purpose. The NM Funeral Service Association is hereby notifying its members that it estimates that 25% of the 2007 NMFSA dues paid by a member will not be deductible as ordinary business expense for federal tax purposes. These are to be utilized by NFDA and NMFSA members in determining what portion of their NFDA dues is deductible. Please provide a copy of this notice to your accountant and/or tax preparer.
